Are there any other server's for the fds beside's the beta server and live chat server. Cause the beta server keeps giving me a messaged saying "failed to connect to beta server ", And the Live Chat server logs in but then it try's loading the first map and then a white message appears for under a sec then the program resets itself , and dose the same thing all over agian forever.

Whats wrong, i would really like to get it and Whats wrong when i click on the renegade server shortcut and it try's to login, but it keeps saying, "Failed to connect to BETA server".]

here's what it says

Renegade Free Dedicated Server v1.002 ST-660 02/07/2002 - 13:33:43

Console mode active

***Auto starting game. Type 'quit' to abort ***

Initializing Westwood Online Mode

Detecting bandwidth...

Upstream bandwidth of 512k bps detected

Got server list

Got server ping

Logging onto BETA Server

Failed to log in, retrying

Logging on...

Logging onto BETA Server

Failed to log in, retrying

Logging on...

Logging onto BETA Server

Failed to log in, retrying

It gose on forever saying logging on. What is wrong.

where can i get a fds server that will allow me to connect to the usa server. The server.ini file says the beta server and the live chat server are the only ones. Where can i get it. Do i need a certain serial number for that or what. I've tryed logging into gamespy and it works fine. But i can't log into wol.

u got a beta FDS? Renegade Free Dedicated Server v1.002 ST-660 02/07/2002 - 13:33:43

Download a good FDS with patch 1037 from [ftp.westwood.com](ftp://ftp.westwood.com)

could someone email me a serial number very soon at borgcom4@msn.com . I really need one within 1 hour. Please, someone help.
please post here when you have emailed me a serial number so i don't get so many and don't know what to do with them.

your chances of getting a serial for a ren server are slim to nil, considering you didnt even know which FDS version to use....

There is no other way to get FDS serials. Some n00b drained EA's serial giver outer a long time ago...
