Maybe so. However, I'd still like to see somebody campaigning for an unban who can speak English instead of typing like a moron.

If i ever get banned from Renguard, you should see one, DJM. Im not saying youll see it anytime soon, just that you should see me asking for an unban. If it doesnt work, i probly wont ask again.

Well like I said, if I find anything that can bypass RenGuard, me and [DEM]SteveStrange[L] will be on the hunt for it. I am truely against cheats and other things, Just to let you know where I found the rengaurd bypass, its over here. It has the renguard bypass in the navigation, bottom left. Thanks for your help.

I would only be lying if I say I tried to bypass renguard, but if it gets me unbanned, sure. Anyone else would do the same.

That doesn't mean he can't change in a few months. I've seen people go from "the shit" to a humble person within weeks.
