And DJM, you post something useful, telling us to post something useful isnt as bad as us hating nopic. Your post is less useful then ours. Least ours are comical.

Read the quote.

I doubt they would put as the message "4 no reson". I'm sure they have much better grammar than that.

Answer the questions, or don't expect anybody to help you.

By the way there has been a glitch with RG, i have been checking lately to see if i have been unbanned and one time i was not kicked from the network. This was a few weeks ago but has not happened again yet.
