Nominee: PyRoAcIdK
Reason: I honestly don't know, but fuck zunnie and fuck Nightma12.
You seem to have some aggression towards these two individuals... Lay down on that couch, and tell me about your childhood.

Seriously, you do seem to have some hatred. Might i ask why?

Nightma's not as bad as zunnie, but they're both idiots. Especially zunnie. He has a fucking cult following of the most stupid Renegade players, and he embraces them (they probably give me man secks). Of course, I'm only jealous of the MP clan because I was "rejected" and "humiliated" by them.

MP has also rejected and humiliated me. I feel like a victim.

If you noticed the rolleyes smiley, you'd notice that it was sarcasm. Obviously to be rejected by them would be more of a comical event rather than an upsetting one.
