Hello everyone, Mod Map Night will be occurring once again, Tonight at 7 PM Eastern. Be sure to download all the maps at <http://www.cnchq.com/renegade/downloads/modmaps.php> (Please note that you can only download maps from 10 AM Saturday - 10 AM Sunday, due to bandwidth problems.) Look for the server, cnchqcom9, which is 32 players. I'd love to see everyone there. Laterz, Beany
