how do you change your username when you use renguard?  
it always logs me into my main nickname even when i change it in game and close then reopen  
the game

Open up Renegade, click on Internet, click on Westwood Online, login with the account you want  
to be on RenGuard with.

Quit Renegade, quit RenGuard.

Launch RenGuard.

RenGuard will now see you on the account you wish to play on.

Strange sick freakin weirdo, lol, there are many ways around it, but why should you need to use  
them?
