The title pretty much says it all. where can i get a download for BRenbot? i tryed BRenbot.com but can find a download.

Thanks in advance if you can help.

Also FDS says "All FDS Serial numbers have been allocated please contact Westwood Online Support"

Is it possible for me to get a FDS serial #?

Download BRenBot here: <http://download.blackhand-studios.org/SS-CP1.3.exe>

Use this to help you configure it: <http://mp-gaming.net/brenbotguide.html>

All the FDS serials are gone, you will only get one if someone is feeling generous.
