It's not "tomorrow" for me until I've slept, regardless of the fact it's 12:25 as I type this. Sorry.

If I start talking like a pirate, I'll turn into a Jack Sparrow wannabe again. I do not want to do that.

I didn't, and not because it was a crappy movie, it was actually really good. But my girlfriend doesn't stop talking about how hot johnny depp is for like a week after watching it whenever she does.

So, you don't like it because of your girlfriend? Makes perfectly logical sense to me. No, it really does. The movie was quite good, despite the fact that it was a Disney movie.

At least when I take her to see the Corpse Bride she won't be able to see him, only hear him. Maybe she won't do it to me that week lol.
