I never said I wouldn't continue hosting it for you....

The last file you sent me is still online

Oh, You could throw my map in there if you like. I put it on Geocities because it wernt big enouph to fit on here

<http://www.geocities.com/renv9/>

Its called C&C_Night_Fog its a foggy infantry level with a Powerplant and Barracks on both teams :}

I did not spend alot of time making this map. 1 day so its not perfect. :}

[View Forum Message](#) <> [Reply to Message](#)

I took it down, i have 15 more maps coming.

If someone wants to hshot it, ill upload it. However its 1.5 gigs, so thats why i use torrents.
