How do you make a IRC channel?
I have NR 2.0 and I want to make a IRC channel...
If it costs money fuck it but if it doesent, tell me lol...

Type /join #channelname

replace channelname with what name you want, then once in there as long as you have op (@ beside your nick) then you can register it.

Yes.

If you have problems with getting it to work with NR, go o the NR support forums at www.nightregulator.co.uk
