Well, I have been sniping in Ren since demo came out, I have lost a little bit of my touch but consider myself to be a "good" sniper.

Looking to respark the good old days

Hey GBull yeah I am back in the public again, doing some restructuring of the clan and trying to breath new life into renegade division. Dec 1st we are launching a new webpage, will forward domain there(address above, site still under construction.

We have a BF2 server now, BHD is rolling headfirst with a full head of steam and alot of the clan has migrated to it, but I am a diehard ren player so hoping to get some new blood to keep it going.

nice, be sure to tell GDE in our forums. I'm sure the battlefield 2 players will want to go there.

don't you have something better to do with your time, like play clan wars or something? Stop trolling, it makes you look incompetent.

If you are looking for recruits with an attitude problem, Wiggles is your man! I think you will not find many recruits on these forums mate, you'll have to do the good old play them / follow them / ask them - tactic .
