Hmmm, a giant red condom to celebrate World AIDS Day.

I have a sneaking suspicion that the person in charge of naming and decorating for this special day is, ummm, gay. How do you show your WAD... pride?

I must admit the first time I read the title to this topic my first thought was...
"What lame mod has been made now?"

I wonder if that's as elastic as most reguar-size condoms... it'd be funny to watch that thing fly!
