What're your Super Bowl predictions?

I'm bettin' that the Steelers beat the Broncos in the AFC Championship and play the Seahawks in the Super Bowl.

I'm pullin' for a Super Bowl finish to Jerome Bettis's fantastic career; he's definitely a future Hall of Famer, so I'd think it'd be only proper that he go out with a Super Bowl win.

Besides, the Steelers are the only AFC team worth a damn (screw you, Patriots).

Atlanta doesn't go to the Superbowl again. Last time they went, they lost right before my birthday. Same thing with the Braves and the World Series. Or whatever the baseball equivalent to the Superbowl is.

Steelers smoked the Broncos, just like the Seahawks smoked the Panthers, almost by the same point spread.

This one is up in the air; I'll be pullin' for the Steelers, though.

Of course I'll be hoping for Seattle, since they has never made it in the Super Bowl before. AND because I live in Washington.

21-10 Steelers over Seahawks!

The Steelers join the "5 SB Win" club with San Francisco and Dallas, and The Bus goes out with the biggest "W" of the year!

That is why my post said "afaicr".

that is an acronym for "as far as i can recall".

That was bullshit. The refs were doing so many bad calls that it screwed over the Hawks. They were doing really good and would of had a few more goals if it weren't for the bullshit penalties. That first touchdown the Steelers got was clearly not a touchdown. Didn't you see him move the football up into the goal with that look on his face? It wasn't in, and yet they gave them the goal.

Sorry to whine all over the place, but you'd have to admit that those refs were bad refs. The Seahawks played a very fair game.

Yeah, there were some BS calls there. And that time where he "pushed off" was more of a TD then the first Steelers one.

The best commercials were the Budweiser and AmeriQuest ones in my opinion. The worst ones had to be the Diet Pepsi commercials - they were absolute shit.

"P. Diddy" or whatever the hell his name is now is just absolutely horrible in commercials; Jackie Chan spoke better English and with better inflection in his voice than P Doggy-Doo-Doo.

I like the energy drink commercial where the farmer built the crow-vaporizing and hippie-burning scarecrow; I think I'll need one of those things next year in college.

What was up with the shitty-ass job Aretha Franklin and that other black dude did at singing the national anthem? Why the hell do they have to jive it all up with all the "Oooo-hohohoh---ooo sayyyyyyyyy can youuuu-hooo-hooo-hoooooo seeeeeeieieieie!!!" bullshit that every other pop and black singer does?

What, is that supposed to give it "soul"? It makes it suck, you disrespectful assholes. Sit down before you keel over and die, Aretha.

Agreed, ruined it for me. I would have preferred seeing some choir boy sing it then listen to that fat bitch "sing" it to the ground.
