TS was never in that. But RA2 and YR were always taken apart from the competition because they were so much different. Wait a sec, EA?.

They could still be selected another week. The ones you submit each week aren't just for that week. Winners for week 2 could of been submitted during week 1.

How exactly does that work? Would it be automatically be 'entered' for the next week? Or would you have to submit it again? It would be neat to take another winner spot.

If you enter a screenshot once, it could win that week or it could win 5 weeks from now. There's no need to re-submit it.
