if you want to change the renx loading graphic take this
graphichttp://www.n00bstories.com/image.fetch.php?id=1721547189make it splash.bmp and toss
it in renx. or make your own.

yes it is. I usually make my own graphics ACK but this was faster and it isnt a huge project.your
sarcasm is not needed here.unless of course you do think it is beautiful, then your comment is
welcome
