So, basically, I'm really sick of running these forums and I need the money for other things, so I'm shutting these forums down at the end of the month. I'm bored with Renegade and tired of the bullshit. Four years of Renegade is just enough, you know?

I appreciate all your participation over the years.

As for the future of these forums, I'm going to put the domain, code, and database up for auction on eBay so I can maybe get some money to start a new site. The auction will start on April 15th and run for 10 days, so you fools can all fight over it.

It's been real,  
Christine

I didn't even believe the first sentance.

I went to Blizzard's site, and they decided to have two April Fool's jokes today. They're really working overtime now, heh. Someone on the Xfire forums actually believed that the new Alliance race was going to be a Wisp.

I read "April 01" and then the title, and I immediately knew it was going to be a "forums shutting down" type April Fools joke. I guess I can't blame for the attempt.
