Hi all,

It's my first post on this forum, I'm happy lol !

but, I have a problem with my FDS 1.037

When i have configure it, I lauche my FDS, but...

look this picture :

There is a problem, but I don't know what's the problem ?

if you can help me, help me please ! lol

thanks,

bye bye

(sorry for my english but I'm french,lol thanks)

You now need to got a right serial.
i have got 1 from a friend of my.
i dont know where you can get those...

There is a subject, he says "you can take all serial of longer 22 caractere when is begin by 0669 !

can you help me please ?

thanks !

If you want a war, please go to http://CFGclan.roxorgamers.com !

[CFG] are searching a clan war now !
