I just got my new computer today and will be playing renegade. Some of you know me and some don't. I've played renegade before. I used to play in renstation and couple more servers. I was in the clan SF1. I met some old friends the other day on my friends comp limpbzkit3 and SF1eagles. Well if I never met you put your ren name here and maybe we can play sometime.

Rubi tell me when you get your ren ready!

Woah im like ranked 635 already.
