By "who are you in Renegade", you mean who are you in WOL, right? Well my nick is term101sk I used to play on GSA a lot, but now I play only on WOL.

Lijitsu or Lijitsu0, whichever it wants to take. I only play in the Unrules New Maps server, though. Which I haven't been doing for awhile.

I am b3rku7. I would have picked Berkut, but WOL's name registration wouldn't have it.

Berkut, by the way, is the name of a Russian prototype fighter that is rumored to be able to shoot down Raptors as if they were weather balloons. Not that anyone cares.

I am Crimsson. Spooky registered "Crimson" on the new XWIS and I haven't bothered emailing Olaf to help me get it back. I was "Crimsson" on WOL, too, so it's not a big deal.

We can register new nicknames on Xwis? Were all the old ones cleared out?

This was discussed in a previously posted topic awhile back. The old names were cleared out, but when you went to log in with your old name, it automatically created the new account for you upon login.

Ain't he a nice guy? He thought that you would forget registering it and he did it for you.

Just a thought. Perhaps a more detailed Introduction thread should be made?

...or has my n00bness to this forum fully been realized, and there already is an introduction thread?

Yeah, that sucked, but I'm bored.
