My name sucks. Can I have it changed? I don't care if I lose post-count, rank, or what have you.

Berkut, if it isn't too much trouble.

Though I would like to know why everyone thinks I'm Dr. Lithius or Johnny Collin.

Uh, thanks.

I'm not sure it is Dr. Lithius (changed his name didn't he). Joseph Collins/Dr. Lithius swore alot this guy doesn't.

I can see why you think this is him but personally I think it's a bit far-off.

It's definitely not him. This one is far too religious to be as gender-confused as Dr. Lithius was.

LOL. So you thought I was like that? ROFL. My friends at school call me 'child of the corn' because I never swear/make "suggestive" comments (at least I think that's what it means, I never watched the movie).

BTW, what exactly does "gender confused" mean? ...seriously, I asked before and all the person did was laugh in my face; no answer.

EDIT: Oh! I think I know who that guy switched his name to. Look for someone called 'monkeybone' in the clan thread.

Phase9 = *atlag@adelphia.net
Dr. Lithius = *ph.ph.cox.net
Joseph Collins = ...uh, there's no one here named that.

No, I think Monkeybone was just the alternate name of Crime9something. Not whoever this "Lithius" is.

I have no idea.

Anyway, how am I being accused of being 'Joseph Collins' when there are no users on this forum by that name? Also, didn't Dr. Lithius leave?

...and what did these people do that makes you want to accuse random(?) newcomers?

Whatever. I just wanted my name changed to match my WOL account name. Is it really this complicated? I could have gotten a Mexican their US citizenship by now.

'Joseph Collins' changed his forum name to Dr. Lithius after saying that he thought he was a boy but hes not or something bout a dual personality.

In the words of the now-retired cartoon character, Johnny Bravo; "I am sickened, yet curious."

Michael Jackson played Renegade? Creepy.

Gender Confused means that your not completely sure if your a girl or a boy. (Obviously you will know what your parts are, but this is suggestive that you are gay.)

I didn't think it was possible, but I am now further disturbed. On the 1 to 10 scale of "weirded-outedness," I am currently registering a 14.

...so, why do they automatically think it's me? I look nothing like the pervert.

PS: Back in 20 minutes, sis is making me run errands.

You quoted wrong. Should read: Phase 9 wrote on Fri, 14 April 2006 23:20I look nothing like the pervert.

So... what's your point? Were you planning on adding something?
And why did you paste a message count?

Anyway, if an administrator sees this, can you explain to these [uh, I'm not allowed to cuss, sorry. Just use your imagination], that I'm not whoever?

...or more preferrably change my name?

Thank you! Thank you! Thank you!

I'm sot sure what this means, but much Kudos. Bigguns.
For that, I'll tell you this: the exploit I reported has no effect on the server called [ds] blackcell.net AOW. Perhaps you could ask the owner what he/she is doing differently? Might help.

Again, thank you!

PS: Sorry 'bout that quote. I didn't know you were the only one who could change names.
