Hey guys i have a problem with the server lists.. listen:
its when i leave a game, it first sais: Leaving channel..
when that's finished, or i click abort (doesnt matter) , the game cant get the server list
But there is no problem when i restart Renegade then.. but to restart Renegade everytime when i
leave a server.. that's pissing me off..

well, that's my story, hope u can help me

thanks,

TTBasM92

Try going to XWIS forums and ask since they run it.

Try google
