Quote:[18:11:33] alex: ok so i am in the compressed folder i see a .cab file  
readme setup and .Lst file

[18:11:42] alex: no install

Quote:[18:14:42] alex: or until night reg gives me a virus eather 1

Quote:[18:16:38] alex: i see a big list of scripts

[18:16:41] alex: programs

[18:16:46]

"o---o:D(  
\*) (k)(l)Emma(l)(k): in your NR folder?

[18:16:50]

"o---o:D(  
\*) (k)(l)Emma(l)(k): .....

[18:16:50] alex: yes

and u wonder y i refused 2 help you?

u were doing my head in!!!!!!

when you download a program, dont you usually run the .exe file in there?

## its on FDS Settings

haha and lee goes along with what i told him. he is more stupid to go along with it than just pointing it out to make me look bad on the forums

as lee says says "in your NR folder" if that was me i would of told him "no u idiot there is no programs in it" or what ever lee was trying to point out

also didnt mean to call you stupid another word something less wity mabey DUMP like you called me

take a pic of FDS settings

is your FDS even running?

EDIT: dump was a typo, i meant to say dumb since u wasdoing my fucking head in!

and do u want help or not? icant always respond within 5 mins!
