Hi, there

I just bought myself C&C First Decade, and while i was trying some servers, one told me to go to renguard.com and load the client. so i did. Now with renguard install i get this renguard error message, and cant join any server over gamespy:

Quote:Failed to receive list of available master servers. Check your Internet connection.

can anyone help? I play Soldier of Fortune II, Call of Duty 2 etc. and this games all work fine. What should be corrupt with my internet???

thx

Lizardking

Make sure your firewall/antivirus allows RenGuard (game.exe) access to the internet.
