You can still watch them!

Yes, yes, I know... the idea of having awesome content on the internet such as this is a pretty foreign idea to most of us since we all know that the internet was designed for horsegirl porn. But, believe it or not, the internet does indeed have some redeeming qualities. Such as the ability to watch all those old cartoons you liked as a little kid!

Now remember, these aren't clips. These are full length episodes put on the internet for your viewing pleasure and for you to take a nice big spoonful of childhood nostalgia. Some cartoons include, but aren't limited to:

Animaniacs

Bevis & Butthead

Darkwing Duck

Freakazoid

Johnny Bravo

And the ever infamous Sam & Max!

Have at it folks!
