No... I bought a new PC a few weeks ago and haven't feel the need to reinstall IRC.

How about I just page you if I see you on XWIS?

ROFL, SSR not failure?!  
trooprm14 got banned from there because he had 29/1 and you guys thought he was cheating  
ROFL!

Then I join, and I own everyone there so it wasn't because he cheated, but because everyone there was n00b!

SSR is a failure...

Server is dead, I rarly see there channel active.  
And i see them pulling off these retarded stunts to get traffic such as inviting everyone in IRC into there channel,

Best sniping clans? rofl, thats a joke. Even my aow team can serve you.

Good day i say.

our server isnt that active but thats rly not a measurement of a clan's succes, 2nd our irc channel doesnt need to be active we only need our own members in there, and that "stunt" was jus a joke dude plx dnt talk if u dnt kno wut ur talkin about

2 v 2???
