o.0 sure. But my oppinion is that you can't ask which clan 'sux'. Cause you should experience yourself how hard it is to lead a clan, and get an image of 'not-sucking clan'.

For you to set here and say that we BBF suck how can you say that. You sure do play on our server a lot. BBF is a great clan and we always have a great time playing. But if you do not like us so much then do not get on our server. And Yes you were on the yesterday by the way.
