Well, I did take the time to read all the posts in that thread, and after doing so I came up with the conclusion that there really was no reason to post this thread and bring up old stuff like that. Now, don't get me wrong, I too was shocked at the way Aircraftkiller was acting in that thread, but the fact that the other people who posted in that thread just kept contributing to the childish posts in that thread doesn't exactly make them look any better than Aircraftkiller did in that thread. Aside from that, I believe that post is a couple months old, maybe less, and should be left where it was, in the past.

</End my opinion.>

I don't see how losing someone dear to you makes it entertaining for others. It's complete hipocracy when someone loses someone dear to them and others find it entertaining, only to turn around and lose someone dear to you and have people think that your situation is entertaining.

I do remember that. However, the information the people on this forum saw was second hand information. It may be true, it may not be true. We won't ever really know unless we were actually there. Each of us has to make our own judgements on the information that was given.

Yeah. Cause you know all about what really happened from one person's point of view. Unlike her I'm not going to sit here and tell a bunch of you about how horrible I was treated or whatever else I could come up with to make her look bad.

Oh wait, I was supposed to write that in capital letters since you said I've lost it.

I did read her blog, and as Aircraftkiller said, you did not see any of this happen from their individual point of views. I meant that just because it is her blog, it is still just text, second hand information. And the only way people would know the entire truth, would be if they were physically there and heard every word themselves.

- 2) As I know, a real man shouldn't talk about his girlfriend on a public forum.

It's his ex-girlfriend, and I'd be quite sure she has a clue about this forum. Besides, from whence has this rule come from that "real" men don't talk about their girlfriends on a forum? Did you just make that up? Or did you find that in some internet cafe's bathroom stall. Seriously guys, why do you insist on having topics about Aircraftkiller? To be brutally honest here, the only problems I see are why on Earth it should even matter.

Edit: and by the way, it's a contradiction anyways, because he, himself, admitted that he specifically *doesn't* talk about his girlfriend and what happened. Hence the whole, "It's none of your business or concern" Because...wait for it...it isn't! The same way you don't have to tell us your personal shit, so why should he have to? :endEdit

Last time I checked, people who have "lost their minds" don't type in capital letters. IF I TALK LIKE THIS, DOES IT MEAN ANYTHING? NO. MAYBE I LIKE TO TYPE VERY LOUDLY FOR EVERYONE TO HEAR. ACTUALLY, IT'S MORE INTERESTING THAN TYPING NORMALLY. FOR ONE THING, IT OBVIOUSLY BOTHERS PEOPLE THAT PEOPLE TYPE LIKE THIS. ONLY GOD KNOWS WHY, THEY'RE JUST LETTERS THAT ARE LARGER. SECONDLY, IT'S MORE ORIGINAL THAN TYPING E-STYLE, AND MORE-SO THAN TYPE IN PERFECT GRAMMAR.

AS FAR AS I KNOW, WHEN DID AIRCRAFTKILLER EVER EXPECT MATURITY OUT OF THE RENEGADE COMMUNITY? I DON'T REMEMBER HIM EVER SAYING ANYTHING OF THE LIKE. YOU THINK IT'S MATURE TO KEEP SAYING "REMEMBER IT'S Nod, NOT NOD" OR THE COUNTLESS INSULTS HE'S THROWN TOWARDS PEOPLE? OF COURSE NOT, BUT FRANKLY, I DON'T GIVE A SHIT ABOUT MATURITY DEALING WITH MINUTE MATTERS. FOR A JOB? SURE. FOR ETC.? SURE. THE INTERNET? NO.

You might as well just say "I hate Aricraftkiller" to get it over with then.

What's ironic is that a little while before the whole incident there was a discussion in the A Path Beyond IRC channel about how it's always the woman who is listened to and the man is always ignored and immediately punished no matter what the situation is. Kinda funny how many people turned out to be completely two faced.
