How do you like get those commands and make people moderators in the game ur hosting? i am a noob to makin servers/hosting and know it, now plz end the noobery and help me thank you for ur time, i hope u can help, and any other general info about making servers/games would be helpful

and maybe if i get enough help i will pay respects to people who helped me if they leave there renegade name and u know, i make a famous server w00t (pfft yeah that'll happen.... ) well maybe u guyyys will join my games and i make u mods i guess that's it oh and is Night Regulator good for anything?

It's a Dark World With Even Darker People.....
