It's true turn off any pop up stoppers then go to The Official Site or just look at the contents of the pop up here I found that using F11.

That really sucks .

/me cries

Oh well, I have to return my mobo due to a defect so I can't play anyways.

Me cries too. We are on Carnival Holydays in Brasil, and I hate Samba... I have two more free days for playing and wont be able to do it. Well, at least we have Gamespy. Anyone could suggest a good server on GSA?
