Suggest dropping by our alliance forums, www.shadownetwork.co.nr - we have clans to choose from and several servers online between us. Links to individual clan sites are there.

The =SGC= is now recruiting. We are new and i'm the only one here right now, but here at Stargate Command, we have a structure that will organize who fights a match, who dose what. If you would like more info, please contact me at NX01class@msn.com or at our website www.stargatecommand.info
