XWIS is an acronym therefore it's all in caps.

XWIS (XCC WOL IRC Server) is down, and we don't know when it will be back up. Everyone (apart from those who wish to play through "gayspy") cannot connect to XWIS online untill it's back up.

^That is a lie, we do know when it will be back up, someone mentioned 1-3 days in the thread, so anyday now.
