Examples of your work are necessary and should be submitted in .3DS format.

Character Modeler/Texturer

We are looking for people (at least two) who can model realistic characters.

Being able to texture is a plus, but not required.

Examples of work are needed and should be submitted in .3DS format.

Texture Artist

We are looking for a talented texture artist who is capable of working from UVW unwraps to create realistic looking weapon/vehicle/building textures. I would love to join, but, i joined Apoc Risng instead. If yo want me to touch up some work or fix some models i can do, as soon as i get 3DSMax re-installed again...

I am very knowlagable in 3DSMax8 and moderatally knowlagable in Level Edit.

All the work i have done is for Internal Members of AR but i'm sure PaRaDoX knows how i work and maybe give you refrence.

I automatically set stuff to be unsticked after a certain amount of time whenever I do it. Unless I get a definite yes I'll leave it be.
