Im looking to rent a server that has:

[list]1) Someone on the staff that can speak English.

2) The ability to run apps like TeamSpeak, BlazeRegulator and some sort of stat

tracking.[/list:u]Ive not been able to find one with both as of yet. Can anyone make a suggestion?

Im looking to rent one to host Renegade for fun and festivities. Does everyone who hosts a game own their servers? Surely not. Ive found a couple places to rent but either they dont speak English or they wont let me run apps like BR or TeamSpeak on it .
