CNC zone, could use your help once again!! We need any tutorials, that have been made, and as always, we could use your maps and mods. So, if you have anything that you want to share with the rest of the community, use our upload script at CNC Zone or, you could send them to me at neo@cnczone.zzn.com Thanks!!! I just wrote a Heightfeild tutorial last night, no one seems to like it though   , e-mail me
kidrage11@attbi.com and I'll send it to you to review.
