Not new but many people don't have the Special Unreal Tournament Sounds to hear it on the Server.

Sound like killing Spree,unstabble,Godlike,Headshot,Rampage...

Here´s the link to download the uT Sounds v1.0 --->
http://forum.ut-ccr.de/downloads.php?view=detail&id=15
The Download is free,no need to register.

The Sounds only work on this Server:
[WOLSpy][uT]eliteSnipinG [-No Reload-] 80.154.33.81:4100
[uT]eliteSnipinG [-No Reload-] 80.154.33.81:4100

Can join over WOL/XWIS and ASE/GSA

Also crates like StealthSuit for 30 sec(CP1 needed),Health up and many more...

INFO:The Sounds are created by Packhunter,all Rights by Packhunter!

Cool, sounds good, will try it out.

Question: why in clan forum? should be moved to like general of winfds

some or all, look real simiar to half life 2 Deathmatch sounds.

But anyways cool, will check them out.
