Try the members section of this forum (look up), that is if you're sure he's registered here?

No, you can't. I used to be on the FOF mod with Genocide and he literally disappeared like Napalmic did. He hasn't been seen on MSN for years, a lot of people I have asked haven't seen him either. sorry.

Weird how people disappear from the online world...

But most of them don't "disappear"... they change usernames, and tell no one about it.
