For those that care...

Tsunami Gaming is transplanting its identity to a new domain (from [www.tsunami-alliance.com](http://www.tsunami-alliance.com) to [www.tsugaming.com](http://www.tsugaming.com)). Part of this transition is the use of a fresh site and CMS.

I know there are a lot of people on this site that have never even heard of our multi-gaming community, but I also know there are hundreds of people here that have registered on our old forums. For this reason I'm formally announcing the change here. New faces are always welcomed, regardless of clan affiliation or even experience level!

Also worth noting is that in celebration of a successful growth period these last few months and the deployment of our new site, we are having a giveaway for the first to register. More information can be found on the front of the website: [www.tsugaming.com](http://www.tsugaming.com). I will also quote the announcement here in a code block so it doesn't take up too much space. Thank you all for your time

Happy Fragging!

\*\*\* REGISTRATION RACE FOR TSU POINTS GIVE-AWAY \*\*\*

- TSU POINTS REDEEMABLE FOR PRIZES! -

As many of you may or may not know, the new website and forum system that you see here has a feature that we call "TSU Points". This feature provides a way for the community to give back to our loyal forum users and others who contribute. TSU Points will be redeemable for prizes such as gift certificates, mod privledges, etc.

The first 100 people to register on this new site who are not already members of a Tsunami clan (or are not already staff) will receive bonus points just for registering; and a chance to win a gift certificate!

Since existing members of our community are excluded from this offer, you have a greater chance of winning. Just because 10 people have registered does not mean that they are all new; and you could still have a chance to be in the first 10 new users to register!

1-10 = 50 points and 2 entries into the drawing!  
11-40 = 50 points and 1 entry into the drawing!  
41-100 = 25points and 1 entry into the drawing!

Bonus points are only available on a first come first serve basis. So whether or not you had 1000 posts in the old forums or whether you were a brand new user that was a day old and with one post, it does not matter. Register here today and you will be rewarded! The drawing will not take place until we reach our 100th new user ... so get your friends to register ... and get posting!

How to claim your points:

In order to claim your points you must meet the above qualifications and be ranked at least a "Thundercloud" (10+ posts on the forums). Once you meet these requirements, PM an administrator and they will award you your points along with your name entered in the drawing for a chance to win a \$30 gift certificate!

I wonder how many people will join, spam the 10+ post count required, stay for the draw and then leave...

There are a lot of sites out there that take advantage of the "cash hack" for different forum systems - but MOST do not. Anyway, take it for what its worth. We have a very successful community and I'm only advertising the new site.

[Sidenote: spamming won't work ]
