...HIM? NEVER? WHAT?

They're only, arguably, the best band of all time. I HIGHLY recommend you listen to some of their music. HIGHLY recommend it.

Not only are they the best band of all time.... but they're BRITISH too!

I live 2 minutes from Rob Plant, I've yet to meet/hail him yet though.

Nope. I just recently started getting into classic rock thanks to Guitar Hero. But, uh, yeah. No Zeppelin. What do they sound like?

Download them and see. If you like the stuff on Guitar Hero, you should have no problem enjoying Zeppelin.

The most famous ones are Hearbreaker, Stairway to Heaven, Immigrant Song, Moby Dick, Rock And Roll, Black Dog, Dazed And Confused and Whole Lotta Love.

The best songs are every single one. There isn't a Zep song I don't like.

Heh. The load screens in GH display random advice for amateur rock bands. One screen read,
"Remember; NO STAIRWAY."

Also, those links bring up "cannot find" errors. Attempting to save the target brings up an error as
well.

lol Do you remember the band Kingdom Come, they were run out of town because a couple of
their songs sounded like Led Zeppelin rip offs. I still like Kingdom Come but they did have a few
songs that were questionable.

Anyway i also love Pink Floyd so for me there is a tie of who is the greatest. I wonder if our young
friend has ever heard of them.

Hey Dave, you forgot Ramblin' On. One of my fav's from Zep.
But I personally think Pink Floyd is the greatest band of all time. Zep ranks 2nd though.

Led Zeppelin has so many good songs but the ones i like the best are the ones that weren't played to death on the radio.

- Babe I'm gonna leave you
- No Quarter
- Boogie with stu
- Nobody's Fault but Mine.

I still like all there played to death songs but tend to listen to the other ones more.

The guitar style is cool, but I didn't hear any vocals.

They kinda go hand-in-hand.
