Hi, I'm Garrett. Despite my third cup of coffee cut with JD I am not an alcoholic.

this isn't really the place to make friends and play renegade with people/get useful advice.

You will need to find a server/community that suits you if you want any of that, where do you play?

yea-i have been reading up on tactics and strategies-and I usually play on n00bstories server. Is that where everyone else here plays as well?

I can't say i'll be playing renegade as much as I do now as well-as i'm getting WoW in a few days (hopefully).

Don't just play in one server. Try others and stick with one that you like. Besides, n00bstories is always full.

Instead of complaining, why don't you take opportunities like these to be welcoming to newcomers?
