I'm not intending to flame, piss people off. I'm just trying to clear something up. These are my MSN logs from catfishtuna (From BiO) I just had this chat with him.

Quote:![Caveman](#) - [www.RenStation.net](#) | Back using my new monitor says:

Cat do you have a few mins?

catfishtuna says:

Yea

![Caveman](#) - [www.RenStation.net](#) | Back using my new monitor says:

Could you explain to me in a little detail why Stone was kicked/left BiO please

catfishtuna says:

For the most part was his attitude, and someone suspected him of cheating, so instead of going into it too deep and dragging it out and making a big deal about the cheat side of the whole story, we voted and kicked him based on hi attitude

![Caveman](#) - [www.RenStation.net](#) | Back using my new monitor says:

Thank you.

catfishtuna says:

np

Edit : Just incase you say (Troop) that I just made them up heres a SS;

This can be locked or whatever. I just wanted to prove something.

My point proven. A suspected cheater who now thinks he's clean cuz BiO didnt bother to get more involed and just kicked him instead (which i dont blame em for). Its also VERY coinsidence that his neighbor is a convicted cheater (mastermoe1) who sm0ke reported a cheater in the server owner section of this forums. Next month, the leader of your former clan is also a proven cheater and the clan shutdown. Nice try stone

Well will you make up your mind, its either;

Quote:trooprm02 wrote on Tue, 02 January 2007 04:28

stonecold a proven cheater

Or

Quote:trooprm02 wrote on Thurs, 11 January 2007

My point proven. A suspected cheater

Also;

Just because one member of a clan may have been a proven cheater, doesn't make the rest of the clan cheaters.

I might live next door to a thief, does that make me a thief aswell?

Wait, you're trusting sm0ke's word of someone cheating? The guy who said he quit renegade,

then came back and joined a clan - then joined a league with the clan and cheated? Not only that, but it was his first war there. Not even to count the times he cheated before that like he did against #GW

Well as I hear. The only person left in [ZT] Is gunrun. Now I don't know if it was just me but I wouldn't stay in a 1 man clan.

ROFL. I just put more pieces to the puzzle to get there. Idc if you guys think stone doesnt cheat, plunty of people have made up their minds already about that (so to have I). I will start another thread for everyone to see exactly what I was talking about in a bit, still waiting for a couple SS's

Well until you have these Screenshots, don't go around accusing people of cheating. You have nothing to base it on.

As in Acey is jerking off to himself while correcting spelling on a gaming forum (ROFL). Anyway, thanks for taking ex #20 off my hands, he started acting exactly as #18 (b4 he started using big bodies). Btw, he SUCKS balls, he got into the clan because he brother (OmniKiller) played for him on the tryout. His gameplay changed so MUCH when playing in public servers etc (prob his brother wasnt home) So enjoy having another n00b (when his brother isnt playing) in a dead clan
