Yeah, I know you felt identified by the title of my post and so you were inclined to click on it and check it out, Crimson. haha, loser.

Stop locking threads. In my last thread I broke none of this forum's rules and the locking of it was by no means justified. It isn't my fault if what I copied came from somebody who's mentally superior to you and that annoys you, I still didn't break any rules.

Unlock my thread you dirty, arrogant hypocrite.

Anyone who starts a thread in a topic we're actively discussing gets locked or merged. Don't think we're treated you special. But since you are now enjoying a 30-day ban, you won't get to experience it again for a little while.
