it works i can get it to work expect i can not get the objects.ddb to work (0bj3ct5s.DD0) i read the insturtion more times then i can count did EACXLLY what they siad and nothing only hacks that work are the ones thats with it why?

I'll let you figure it out.

Edit: I thought I had the IP but I don't. Would someone be kind enough to give me it?
