I'm looking for an "Homer Simpsons gunner" skin. I accidentally deleted it. So maybe someone knows where I can find it. Would be appreciated, thanks.

Jerad Gray wrote on Mon, 22 January 2007 13:45Do you remember what the download was call?No sir. Only that it was an zip/rar file.

The skin was, or atleast, looked as Homer Simpsons. Same clothes etc. The only difference was that the skin has earrings.

I believe that is because the earrings are part of the character model itself.

You don't have to post google links in every topic that asks for help. The topic starter is never looking for a link to google. It's basically spam when you do that.

this topic was spam to start with. So I though I'd give my postcound a booster.

Seriously though, go to UNRULES and check the download section. Its there I downloaded it the other day. Its part of Escalades skin pack I think.
