HR (www.hellsrangers.us) have a new server and will be running a few tournaments ie; 5vs5 aow 1 vs 1 snipe (just examples), The first one we do will just be for fun, but we are planning on doing this as a cash thing, such as 5 entry per player or team not decided yet, winner gets 75% of pot wich is not all decided yet ill keep you all notified or check us at www.hellsrangers.us HRAOW thats our server.

HRGspot over and out !

I remember you guys, you screwed over my old clan, saying we were all cheaters and making up fake logs remember me, ILLSnake? Then when I came back as this nickname you dodged a 2vs1 request with the HR guy in the server saying, "we dont do clanwars". HR FTW

Although its a good idea, I don't think many people will pay money to play renegade tournaments.. :S
