Dragonade is a Private bot/game mod that wont be released anytime soon. You could always ask them for a copy but its likely they won't release it to you.

i asked about it on the black-cell forums ..

check it <http://forums.black-cell.net/index.php?topic=7506.0>

---

but this is only source code..  
Can some of your guys make a Scripts.dll of it ?>??
