Ph33r Teh Ninja is finally finished!!!!!! After about a half hour of shooting and two hours of editing, I have completed it!

Ph33r is a short vid I made featuring the ninja in Roleplay 2. Don't expect uber quality. It was made with Fraps and Windows Movie Maker, which has a complete lack of major editing ability.

Download - Mirror 1 (RP2 site)

Download - Mirror 2 (FileFront)

YouTube

.rar downloads coming soon incase you don't like .wmv downloads.

Constructive or appreciative commentary welcomed.
