Met een klik op deze link zul je nogal shockende beelden zien!

Dit is namelijk Flatout 2 crash!

Je kan het spel kopen en downlauden!

Hier op Worldmirakel hebben we alleen clips.

Er komen ook nog downlaud links op!

Bij elk crash of spel clipje zal een tekst bij horen.

Zo kan je meer te weten komen wat er allemaal gebeurd in het clipje!

Wat je hier zal zien is redelijk shockent! Namelijk autos die crashen tijdens een race , allemaal 3d beelden...

Could someone tell me what language this is and or trnaslate for me? I've tried every trnslator thing out there...wth?

hmmm...I found many words from the site you showed that are similar to another website that is

based in Amsterdam (Netherlands).

So, it is probably in Dutch and/or Frisian.

I used this translation site (by far the most reliable):

<http://www.freetranslation.com/>

Select "Dutch to English" in the drop-down box.

The sentences in your first post translates to:

-With a click on this link will your rather shockende depict see!

-This is namely Flatout 2 crash!

-You can buy the game and downlauden!

-Here on Worldmirakel, we have clips only.

-It come also yet downlaud left on!

-By each crash or game clipje, a tekst will hear by.

-As you can come happened to know more what there all in the clipje!

-What you here reasonable shockent is see will! Namely cars that crashen during a race, all 3d depict...

I guess they are talking about this game:
