Just when i thought all that chuck norris crap went away. He is washed up people, just because his career is such crap that they moved his shows to free broadcast so that all the hicks can watch him, doesn't mean he rocks. Go back to 1985 so you can be with your own kind, that or Alabama.

Chuck Norris doesn't tea bag a girls, he potato sacks them.

I never understood those Chuck Norris jokes. Why is it ever a fad to kiss someone's ass?
