Here's a good place,

<http://www.cnchq.com/renegade/downloads/modmaps.php>

and also here:

http://www.renegadegenerals.com/modules.php?name=Downloads&d_op=viewdownload&cid=2&min=0&orderby=titleA&show=10

Be sure you get my latest map, C&C_The_Final_Conflict.mix and C&C_Snipers_Canyon.mix,
