I written most of the source to this Bot, since i found it backed up (on my phone). I'm releasing the sources to this too. This wont compile, i couldn't find FDSTalk.lib. But otherwise it will. This was created when i first started getting back into C++.

http://www.dansprojects.co.uk/Sbot/HL_BOT.rar

I hope this helps someone somewhere...

/me huggles gamemodding

Much thanks for this. It will help greatly as I progress on NeoServ.

Thanks,
MathK1LL
